

Military English - MEP

Course Aim: To prepare students to develop the practical language skills required for NATO and UN Peacekeeping appointments worldwide. Preparation for STANAG examination is also included.

Course Description: Our Military English training is concerned with creating an understanding of the functional communication skills necessary for personnel employed in the military and military organisations. It is therefore suitable for military officers, diplomatic service staff, civil servants, intelligence officers and international security operatives.

The most popular study programmes related to English for Military Purposes are the **NATO STANAG (Edition 3) SLP 3 and SLP 4** Certificate courses. Duration of the course is normally 4 - 7 weeks; however, **CEC** Military English courses can be tailored to meet the precise requirements of particular sponsors. The maximum class size is 10 Officers/SNCOs.

Courses include excursions to professional and cultural places of interest and include presentations on specialised subjects. To date, the **CEC** military cadre has enjoyed considerable success and courses run year round. A high proportion of students attain passes at SLP 3 and SLP 4 levels, which allows them to subsequently establish themselves in international roles with ease and confidence. Selected courses are conducted for VIPs and personnel of high rank only.
